HOURS FOR BULK GRINDING

Mon-Thurs 8:00-3:00; Fri 8:00-Noon; **No grinding done on Saturdays.** Grinding will be done while you wait, or you may drop it off and pick it up the following day. Bulk grinding will not be kept for more than one working day. (*Trim dropped off on Saturday must be picked up on Monday, etc.*)

How to figure out cost for grinding:

Example of Cost: Bulk Grinding with no meat added
10 LBS. of Trim = 10 x \$1.50 = cost: \$15.00

Trim + Beef Added (1/3): 10 LBS. of Trim

Beef = 3.3 lbs x \$3.99 = \$13.17

Bulk Grinding = 13.3 lbs x \$1.50 = \$19.95

Total is \$13.17 + \$19.95 = \$33.12

Venison and CWD: We provide a custom processing service for your game animals and take the highest precautions in safety and sanitation of our facilities and equipment. We cannot guarantee that any animal brought in for processing does or does not have CWD. That testing may be done by game agency officials or by sportsmen, but cannot be done in this facility. We cannot assume responsibility for animal testing or failure to test for CWD.

Maplewood's viewpoint on CWD is based upon the position of the Dept. of Agriculture that there is no evidence that CWD is transmittable to humans. These views are also shared by the World Health Organization and the Center of Disease Control.

Although there is no scientific evidence, Maplewood would encourage all hunters to follow the guidelines set by the Dept. of Agriculture on cutting your wild game.
